Cognizant inks MoU with Garuda Aerospace to power drones with tech

FE BUREAU Chennai, December 22

US-based IT services company Cognizant has signed a memorandum of understanding (MoU) with Garuda Aerospace, the Chennai-based drone startup, under which it will power drones with advanced digital capabilities and bring innovative solutions at scale for enterprises aiming to achieve greater agility and productivity.

Achal Kataria, VP and India country head, Cognizant, said: "We are excited to collaborate with Garuda Aerospace, combine our deep industry knowledge with capabilities such as advanced data analytics, realtime insights and software development to elevate dronebased solutions and new use cases for enterprises across sectors. Drone services are one of the fastest growing technology segments with the potential to provide extraordinary value to industries such as agriculture, manufacturing, energy and utilities, retail and

Cognizant and Garuda Aerospace are collectively set to bring a number of end-toend drone-based management and monitoring offerings for businesses across sectors.

logistics."

For the agriculture sector, a new offering provides intelligent water and soil management, crop spraying, aerial planting, among others.

For energy and utilities, an aerial intelligence solution helps in asset inspection, storm impact assessment, fire safety, among other operational areas.

In warehouse management, drones can be used for inventory audit, tracking of products, video surveillance. and even help move lightweight objects. These dronebased solutions will also enable businesses achieve their sustainability goals by helping drive efficient use of resources.

Agnishwar Jayaprakash,

founder and CEO, Garuda Aerospace, said:"This collaboration with Cognizant will further enhance our 'Made in India' drones with world-class technolgies and catalyze new, innovative solutions to help clients and their customers around the world. We have an innovative business model, an amazing team, and now the right collaboration with Cognizant to reach our desired scale."

Insurers raise focus on drone market

ENS ECONOMIC BUREAU Mumbai, December 22

MORE PLAYERS ARE jumping into the drone insurance market in India. After HDFC Ergo, ICICI Lombard and Tata AIG, New India Assurance has launched the unmanned aircraft system insurance.

According to the firm, the

'New India Unmanned Aircraft System (UAS/ UAV/ RPAS/ Drone) Insurance' will cover large aircrafts to solo flying gliders. Coverage will be offered to drone owners, operators and manufacturers. "The product provides a diverse option of over 15 different add-on covers for customers to pick and choose from. These add-on covers are designed as per the drone industry's requirement. The policy covers physical damage to the aircraft and its theft. It also provides cover for accidental physical injury to the third party and/or damage to their property due to the aircraft's operations," New India said.

The policy is designed to cover fixed wing, rotor wing and hybrid UAS that can be controlled remotely (with pilot intervention) or autonomous drones (without

pilot intervention). These aircrafts are generally deployed for military and non-military applications, including surveillance, geography and infrastructure inspections and aerial phofor apprialexp.epapr.in
